REPORT

The Eco Club of LCE has served as a dynamic platform for students to learn, lead, and act in the service of the environment. Through collective effort and strong commitment, the club has made meaningful contributions toward a cleaner, greener future. We extend our gratitude to the College management, staff and all student volunteers for their unwavering support.

1. **Raising Awareness about Environmental Issues**
2. **Encouraging Action for Sustainability**
3. **Promoting Global Cooperation**
4. **Understanding the Interconnection between Environment and Development**

This year, we planted nearly 50 saplings sponsored by our **Rev. Fr. Secretary, Rev. Fr. Alphonse Manikkam**, and gave an awareness talk on the importance of maintaining our Mother Earth, under the topic, **“Save Mother Earth”**. Fr. Alphonse emphasized that it is everyone’s responsibility to maintain a clean and green environment. He encouraged us to avoid plastic and to be mindful of the 3 Rs: **Reuse, Reduce, and Recycle**. **Principal Madam Dr. L. Kulanthai Theresal** encouraged everyone to participate in the sapling plantation activities in and around our campus.

Eco Club Secretary Fr. Antony and Joint Secretary Ms. Priyadarshini motivated all department students to participate actively. The programme went on well.
