Few insights given by the Resource Person	“Jesuit Characteristics and Management Expectations: A Pathway to Excellence” rooted in the life of St. Ignatius of Loyola emphasize the constant pursuit of excellence for the greater good. His principle highlights compassionate, people-centered leadership. Ignatian discernment promotes reflective, ethical and data-informed decision-making. Leadership is viewed as humble service, fostering collaboration and trust. The practice of Examen encourages continuous self-evaluation and quality enhancement. St. Ignatius’ adaptability inspires innovation and responsiveness to change. Together, these values guide mission-driven management that nurtures competence, conscience, compassion and commitment leading institutions toward sustainable excellence and social transformation.
