Brief note about the Chief	Ms. Philomin Jessie Joshi, Coordinator of Academics at National Public

Guest:	School, has over 28 years of experience teaching CBSE Physics at the senior secondary level. A postgraduate from Loyola College, Chennai, she is deeply committed to guiding students in science projects for CBSE board exams and external competitions, fostering innovation and inquiry-based learning.
Few insights given by the Resource Person:	The resource person motivated the prospective teachers by sharing: Every student has the potential to become an innovator. You do not need to wait until you become a teacher. Start innovating today. LIFT is your platform to turn IDEAS → INNOVATIONS, INNOVATIONS → PRACTICES, PRACTICES → CHANGE. Let
Learning Outcomes of the Programme:	The prospective teachers were keen to learn the various projects that they could do in their subject and use it for effective teaching-learning during the internship in their second year of the B.Ed.
Overall Impact of the Programme:	1. The session created an awareness of the various programmes that they would attend through LIFT. 2. Student-teachers were happy and keen to learn from the school teachers who are directly dealing with school
